Norman Foster Foundation

OPEN CALL
Digital X
Workshop

18th– 22nd February 2019

The Norman Foster Foundation is awarding **ten scholarships** to take part in the upcoming Digital X Workshop to be held at the Norman Foster Foundation headquarters in Madrid, Spain

Digital X Workshop
Application

1. Proposal

In order to apply for the grant, please submit a single file with your answer to the question below:

What happens when the natural world and the artificial world are the same?

There is no fixed format to answer this proposal, it can be chosen according to your preferences from video, presentation, collage, essay etc. Creativity will be highly appreciated.

Please note that the Selection Process is only open to students currently enrolled in an educational programme (Bachelor, Masters or PhD) with a strong background in architecture, design, humanities, and technology. Students working full-time in a private initiative are not eligible for the Digital X Workshop.

2. Student Information Form:

In addition to your proposal, in order to participate in the selection process, we also require you to fill in the following fields:
